INDEX

INTERNATIONAL ORGANIZATION

Volume XIX—1965

Prepared by Louise T. Knauer, Susan W. Blank, and Jessie R. Janjigian

In the following index, agenda items considered by major organizations are listed by topic rather than under the organ in which they are discussed. Committees and commissions of major organizations have been listed independently except in the case of the seven main committees of the General Assembly which are listed under the heading General Assembly. References to organs of smaller organizations have been listed under the organization. For statements of policy made by national representatives, refer to the subheadings under the representative's country. Abbreviations in parentheses following an entry indicate the larger body of which it is a part.

The pagination of Volume XIX is as follows: Number 1, Winter 1965, pp. 1–162; Number 2, Spring 1965, pp. 163–366; Number 3, Summer 1965, pp. 367–846; Number 4, Autumn 1965, pp. 847–1094.
